Haven Home Starter Pack List

Collecting essential items is one meaningful way supporters help us create Haven Home Starter Packs for women and children starting again in a safe new home.

Each pack helps transform a new house into a safe, welcoming home for a woman and her children recovering from family violence. The essentials you gather - whether practical household items or small comforts - provide dignity, stability, and a sense of fresh beginning at a time when it is needed most.

All items for the Home Starter Packs must be **new and unused**, and we are unable to accept **out-of-date food items** or anything opened or partially used. These essentials are needed **all year round**, as every Haven we furnish relies on the generosity of people like you.

To arrange a drop-off or pick-up, please contact our Warehouse Team via our Haven Home Starter Pack web page: youmatter.org.au/home-starter-packs

Thank you for being part of the community that makes every new beginning possible.
